

ILC DOVER SMALL BUSINESS POLICY

It is the policy of ILC Dover LP to award a fair proportion of our acquisitions to small business concerns, small disadvantaged business concerns, women-owned small business concerns, HUBZone small business concerns and small business concerns owned and controlled by service-disabled veterans. It is understood that purchases of goods and services shall be made to the fullest extent consistent with this policy and the efficient performance of our operations. Such business concerns shall also be afforded the equitable opportunity to compete for, and participate as subcontractors, in the contracts awarded to ILC Dover consistent with efficient contract performance.

In keeping with this policy, the ILC Dover Purchasing Department will scrutinize procurements for possible award to small business concerns, small disadvantaged business concerns, women-owned small business concerns, HUBZone small business concerns and small business concerns owned and controlled by service-disabled veterans consistent with good procurement practices.

As a Government contractor, ILC assumes the obligations imposed by these programs as described in Public Law 95-507, Public Law 99-961 Section 1207, Public Law 100-180 Section 806, and FAR Clause 52.219-9.

ILC Dover's Supply Chain Manager is the designated Small Business Liaison Officer, and will monitor compliance with program requirements. Our Supply Chain Manager/Small Business Liaison Officer is responsible for overall coordination and implementation of this policy among the functional entities of ILC Dover. Responsibility for accomplishing this policy is assigned to the appropriate ILC Dover Purchasing personnel. Our Supply Chain Manager/Small Business Liaison Officer shall coordinate and assist Purchasing and other functions in carrying out their responsibilities in complying with this policy. The detailed procedures for complying with this policy can be found in the ILC Dover Purchasing Manual.

ILC Dover encourages all small business concerns, small disadvantaged business concerns, women owned small business concerns, HUBZone small business concerns and small business concerns owned and controlled by service-disabled veterans to make their status known to our Purchasing Department so that appropriate consideration can be given.
